My name is Maribel Lopez Munguia and I am a homemaker.

I know Benito Lopez Perez because he is my husband. He was always looking out for my children and me—we could always count on his support. He would be concerned for his children's health and education. In these 5 years I have been with him, he has never disrespected us nor was he ever aggressive. I was not aware of the crime he was accused of; I became aware of it when he was arrested. I know that he is guilty of it, but that does not take away the good person he is towards his loved ones and friends, he would help those that needed it. I just hope that you take into consideration the good father that he is and how greatly we need his presence with us, which is why I take it upon myself to ask you for a fair sentence.

Sincerely,

I am Benito Lopez Perez's niece. He started to take care of me since I was a very young child because I did not have a dad around. He made sure I had my schooling and helped me complete primary and secondary school.

I decided to stop going to school on my own, but he continued to be supportive of me. During the time I lived with him I never knew him to be aggressive or violent with anyone. He was always a mild and kind person; to me he was the best dad ever. This is why I am sad, because of the situation he finds himself in. I know that he pled guilty, but I am asking you to give him a fair sentence

My name is Yazmin, I am 22 years old. I work in a factory called CMT Costuras y Manufacturas de Tlaxcala, fitting jeans.

Benito Lopez Perez is a well-known and respected person by the people living in the Municipality of Tenancingo, Tlaxcala. He is the father of two children, 6 and 4 years of age, with whom he lived, took to school and played. He was very dedicated to his children but nowadays these children are not in good health and as a matter of fact, the youngest was hospitalized for a time. The oldest is suffering from deep depression and low self-esteem which is affecting his schooling and he has totally gone down in benefitting from school. I bring this up because I have a son who is currently a classmate of theirs. Benito has shown himself a responsible and respectful person in the community, we were never aware of any problems caused by him or any of his family members because they always proved to be respectful and mild-tempered. He used to organize soccer matches, getting both adults and children to get involved in the sport and in exercise, always conducting himself respectfully towards them and the community. I have now come to learn of his legal problems and I beseech you, Your Honor, to please give him the lowest sentence possible because his children are truly lost without their father figure.

BENITO LOPEZ PEREZ, es una persona conocida y respetada por los habitantes de este Municipio de Tenancingo Tlaxcala, es padre de dos hijos de 6 y 4 años del cual estos menores siempre convivio con ellos, llevándolos a la escuela, así como jugar con ellos esta persona era muy dedicada a sus hijos, a hoy en día estos menores se encuentran mal de salud e inclusive el menor fue hospitalizado por un tiempo, el mayor de los mencionados, se encuentra en la escuela muy deprimido, con baja auto estima, y ha bajado totalmente del aprovechamiento de la escuela, manifiesto esto porque tengo un hijo en la que son compañeros, actualmente, **BENITO**, ha demostrado ser una persona responsable y respetoso con la sociedad, nunca supimos de problemas ocasionados por el o alguno de sus familiares ya que siempre se mostraba respetuosos y tranquilo. Ya que acostumbraba a realizar torneos de futbol, haciendo participar a adultos y niños fortaleciendo así al deporte y al ejercicio, comportándose siempre de una manera respetuosa para con ellos y la sociedad. A hoy que me he dado cuenta que se encuentran en problemas legales y confesos ruego a Usted Ciudadano Juez se digne de dar una sentencia de la más baja, ya que los niños se encuentran desamparados sin la figura del padre.

TENANCINGO TLAXCALA A 13 DE AGOSTO DEL AÑO DOS MIL TRECE.
